### Placement Testing Requirements

All incoming undergraduate students (full-time, part-time, transfer or international) must demonstrate a minimum level of English and mathematics proficiency through testing, or the use of transfer credits accepted by FDU. Students who do not meet the minimum levels of proficiency in English and mathematics must take special courses designed to help them develop the required proficiency. **Be advised that these special courses are not applicable to degree requirements.**

International graduate students must demonstrate a minimum level of English proficiency through testing. Students who do not meet the minimum level of proficiency in English must take special courses designed to help them develop the required proficiency.

### Academic Advising

Upon completion of the admissions process, new students will be directed to the appropriate department/advising center for academic advising and registration.

Undergraduate students are required to meet with an academic advisor to prepare their schedule and to obtain access to register on the web. Student's advisor must release the "Web Registration Hold" to enable registration online using Student Self-Service.

Graduate students may register on Student Self-Service but should check with their academic department since specific graduate programs may not permit web registration.

### Registration

Students should register for classes online unless otherwise instructed by their academic advisors. General registration questions can be directed to the Office of Enrollment Services on the appropriate campus:

Florham: [esmadfdu@fdu.edu](mailto:esmadfdu@fdu.edu)

Metro: [esteafdu@fdu.edu](mailto:esteafdu@fdu.edu)

### Web Registration

Students may register on Student Self-Service (<https://selfservice.fdu.edu>) from 8 AM to 11 PM, beginning March 15, 2025 and up to the day before a class begins.

Some advisors may choose 'not to permit' their students the option to register online. It is the advisor or Program Director's responsibility to inform the student of their program's policy.

### A NetID account is required to gain access to Self-Service for registration.

To create a NetID account, go to: [identity.fdu.edu/signup](https://identity.fdu.edu/signup). You will receive a login and password to Self-Service the next business day. For assistance with NetID, call the Help Desk at 973-443-8822. If you already have a NetID account, go to the home page of FDU, [www.fdu.edu](http://www.fdu.edu), and click on Self-Service to create an account. For assistance with Self-Service email [selfserviceadmin@fdu.edu](mailto:selfserviceadmin@fdu.edu)

### **Guidelines for General Registration:**

- Acknowledgment of University policy regarding academic and financial terms is required by the student prior to registering.
- If your account is on hold, you will be restricted from registering, i.e., Accounts Receivable Hold, Medical Hold, Dean's Hold, Credit Limit Hold, Loan Hold. Please contact the department responsible for the hold after checking the [Self-Service](#) link 'Holds and Registration Information' under the Registration section.
- If a course has a restriction, the student will not be able to register online, i.e., (DA)Department Approval Needed, (DC)Department Chair Approval Needed, (RC)Regional Center Approval Needed, (HO)Honors Program Approval Needed. Please obtain the appropriate approval and submit your request to the Office of Enrollment Services.
- Certain programs: such as EOF, Honors, and QUEST (5-year program), may require an additional advisor approval.
- The system will check for pre-requisites and co-requisites. Waivers and substitutions will be recognized by the system as long as the information resides on the student transcript.
- Non matriculated students may not be permitted to participate in Web Registration.

### **Guidelines for Undergraduates Registration:**

- Undergraduate students are required to meet with an academic advisor to prepare their schedule and to obtain access to register on the web.
- Undergraduates can only register for a maximum of 18 (12 for summer/6 cr max per session) credits online. Additional credits must be processed through the Office of Enrollment Services by emailing Metro Campus [esteafdu@fdu.edu](mailto:esteafdu@fdu.edu) or Florham Campus [esmadfdu@fdu.edu](mailto:esmadfdu@fdu.edu)
- If a student on probation registers for a 'future' term, the system will not allow the student to exceed the current restricted limit. The Dean's office will contact the student, if his/her probation and credit limit are extended into the future term and inform him/her to reduce their course schedule.
- The system will be programmed during the Priority Registration period to permit students to begin to register on a specific date based on the number of credits that they have completed up to but not including the current term. The dates of registration based on completed credits will be sent via email to the student or accessible on [Priority Registration](#) webpage.
- A registration form must be completed online for each student who registers. The Web Registration Hold must be released by the student's advisor.

### **Guidelines for Graduates Registration:**

- Graduate students are encouraged but not required to meet with an advisor prior to registering on the web.
- The period of eligibility to register on the web begins on the first day of Priority Registration.
- Graduate students can only register for a maximum of 12 credits. Additional credits must be processed by contacting the Office of Enrollment Services by emailing Metro Campus [esteafdu@fdu.edu](mailto:esteafdu@fdu.edu) or Florham Campus [esmadfdu@fdu.edu](mailto:esmadfdu@fdu.edu)

### **Drop/Add Changes (Change of Schedule) Period:**

Registration continues on a space-available basis. A Change of Schedule provides the student the opportunity to add or drop courses based on dates from the Academic Calendar. Students are required to follow the same guidelines as an initial Registration. Registration approval requests can be made via email to the student's academic advisor. The advisor will forward the Add/Drop email request to Enrollment Services for processing.

### **Independent Study**

Students wishing to take an independent study should request that their faculty mentor complete the first two sections of the form, <https://www.fdu.edu/about/university-leadershipoffices/office-of-enrollment-services/authorization-forms/>, including his/her signature; the student will review and sign next. If the course is in Becton College, the student or faculty member must send the form to the chairperson who oversees the department in which the course is offered for approval. If approved, the chair sends the form to the associate dean for final approval and processing. If the course is in a School, only the School Director need approve and send the form to Enrollment Services for processing. If the course is in Silberman College, the student should contact their academic advisor.

### **Course Withdrawal**

After the last day of the Drop/Add period, based on dates from the Academic Calendar, the student can still withdraw from courses. A withdrawal will not be credited toward the baccalaureate requirements nor averaged into the CGPR. A student may withdraw from a course through the ninth week of a semester (through the fourth week of a six-week summer session). After the ninth week (fourth week in a six-week summer session), withdrawal may be permitted for serious, documented, medical reasons or other unusual extenuating circumstances. Students requesting late withdrawal should present evidence of unusual circumstances and/or medical documentation to the Dean of the College or Director of the School. A withdrawal may result in changes to your financial aid.

### **Cancelled Classes, Closed Courses and Changes**

The University reserves the right to:

- Cancel any class for which there is insufficient enrollment
- Close a class when the enrollment limit is reached
- Make last-minute changes in faculty assignments due to circumstances of an unforeseen nature
- Make any schedule changes required, including a change of hours, days and campus location

When and if possible, the department making the change will notify students of such changes.

### **Wait Listing:**

The University has implemented "waitlisting" for students who wish to be notified when/if a seat becomes available for a course that is at full capacity. When a student attempts to register for a course which is closed, that student may place themselves on a wait list. For more information on wait listing, the student can find the tutorial at <https://it.fdu.edu/self-servicetutorial> :

Section 1-Academics

Part 9 - Join a Waitlist.

### **Full-time/Part-time Status Credit Load**

Undergraduate students must carry at least 12 credits to be considered a full-time student, unless they are an 8<sup>th</sup>-semester student requiring less than 12 credits to graduate. These graduating students will be considered as full-time for the purpose of residing in the dorms and will be subject to applicable fees. This 8<sup>th</sup>-semester ruling does not imply that financial aid will be continued for those registered for less than 12 credits. Therefore, undergraduate students receiving financial aid are advised to consult the Financial Aid Office before reducing their credit load below 12 credits. Students who wish to take 13 credits or more must have approval from the Dean of their College or Director of Independent Schools.

Graduate students must carry 9 credits per semester to be considered a full-time student. Graduate students who wish to take more than 12 credits must have the approval of their Dean/Director/Chair of their major.

### **Withdrawing from the University**

Undergraduate students who are leaving the University due to transfer, personal, or financial reasons may withdraw from the University by completing an Official Withdrawal Form obtained from the Dean of Students. Graduate students should submit the appropriate Withdrawal/Academic Leave of Absence Form to the Dean or Director of their College/School for approval. The effective date of any notification of course deletion or withdrawal will be the date of receipt by the Office of Enrollment Services.

### **Academic Leave of Absence**

An academic leave of absence which permits a student to return without penalty may be granted only to a matriculated student. Undergraduate students must have a cumulative grade point ratio of 2.00 or higher. Graduate students require a cumulative grade point ratio of 3.00 or higher. A leave may cover only one semester with the privilege of renewal for one more consecutive regular semester. A leave of absence may be granted for medical, financial, employment and military reasons. Verification in writing must be furnished where applicable by a physician, employer or other authority. A student taking an ALOA is not permitted to take class(es) at another institution, and ALOA becomes void if academic or judicial sanctions such as suspension or dismissal are applied at a later date. Authorization to grant a leave of absence resides with the dean of students for undergraduate students and with the student's department chairperson or school director and the college dean for graduates. Undergraduate forms are available in the Dean of Students office. Graduate students should submit the appropriate [Withdrawal/Academic Leave of Absence form](#) to the Dean or Director of their College/School for approval

## **Tuition and Billing**

### **2024-2025 Tuition and fees**

Rates for the Summer Session are posted on the FDU web site: [fdu.edu/admissions/tuition-fees](https://fdu.edu/admissions/tuition-fees)

### **Tuition Statement (eBill)**

Students will receive an eBill Notification from the Office of Enrollment Services. For more information on understanding your student invoice, please visit [fdu.edu/admissions/tuition-fees/understanding-invoice/](https://fdu.edu/admissions/tuition-fees/understanding-invoice/)

### **Payment Deadline**

The payment deadline for all Summer Sessions is due prior to the start date of class. If you register after the payment deadline, you are required to present full payment at the time of registration or satisfy your bill via financial aid and/or a payment plan. It is the University's policy that students with outstanding charges will not be permitted to register for courses, move into the residence halls or utilize the food services plan. Academic records will be withheld until all financial obligations to the University have been satisfied.

### **Payment Methods**

The University has partnered with third party services TouchNet and Flywire to provide a convenient online payment option. TouchNet is available seven days a week but shuts down from 10 PM to 11 PM each evening. Students can pay via ACH (Electronic Check), Credit Card, and Wire Transfer online. More information on making a payment online is available [on fdu.edu/admissions/tuition-fees/payment-options/](https://fdu.edu/admissions/tuition-fees/payment-options/). Students can also mail checks to the Office of Enrollment Services.

### **Payment Plans**

FDU offers the following three payment plans to help make a college education more affordable.

#### Deferred Payment Plan

The deferred payment allows you to make an initial 25% down payment on the total balance for the term. A \$45 per term application fee is assessed for those who choose this plan. The balance due is then paid in three consecutive monthly installments.

#### Corporate Reimbursement Plan

Students who receive tuition reimbursement from their employers at the end of a semester can enroll in the [Corporate Reimbursement Deferred Payment Plan](#). A 4% carrying charge applied to the entire term balance is due upon enrolling in the plan. Payment for the First and Second Summer Sessions is due August 15, 2025. Payment for the Third Summer Session is due September 30, 2025. The plan is term specific.

#### Corporate Voucher/Direct Payment

If your employer pays the University directly for tuition and fees, all qualified students must present a tuition voucher to the Office of Enrollment Services at the time of their registration. If they choose to register via the web, the voucher must be submitted within 5 days of registration.

### Late Payment Charge

Late payment charges are assessed in accordance with the appropriate schedule below. Such charges will be assessed at the time any payment (full or partial) is made, against the payment made, and shall be added to the then outstanding balance.

Summer Session	Late Charge
Weeks 1 & 2	2%
Weeks 3 & 4	4%
Weeks 5 & 6	6%

### Collection Fee

By endorsing the registration agreement, the student enters into a contractual agreement with Fairleigh Dickinson University and has a financial obligation to pay expenses incurred during enrollment. In the event the student defaults on his or her financial obligation and the account is submitted to a third-party agency for collection, the student will be responsible to pay all collection costs associated with the account as well as the past due balance. A 12% late fee will also be assessed to the unpaid balance.

### Tuition & Fees Credit Policy

Please adhere to payment deadlines and policies established by the University for each term. Failure to comply will result in late charges. Upon valid Cancellation or Withdrawal, you may be entitled to a tuition credit.

Application and registration fees are non-refundable. If the tuition credit results in an overpayment, the University will issue the student a refund.

### Summer Credit Schedule (6-12 week)

<u>Withdrawal Effective Date</u>	<u>Credit Amount</u>
Prior to 1st day of term	100% of tuition and course associated fees
During 1st week of term	75% of tuition
During 2nd week of term	50% of tuition
After 2nd week of term	NONE

### Module Courses Credit Schedule (3, 4 & 5 week)

<u>Withdrawal Effective Date</u>	<u>Credit Amount</u>
Prior to 1 <sup>st</sup> day of term	100% of tuition and course associated fees
During 1 <sup>st</sup> week of term	50% of tuition
After 1 <sup>st</sup> week of term	NONE

100% credit is granted only when a student withdraws prior to the first day of the semester. Fees are not refundable after the semester has begun.

### Refund Policy, Title IV Recipients

Federal regulations require specific refund calculations for students receiving Title IV financial aid who completely withdraw from the University. Title IV financial aid includes the following federal student aid programs:

- Federal Perkins Loan
- Federal Supplemental Education Opportunity Grant (SEOG)
- Pell Grant
- TEACH Grant
- Direct Subsidized / Unsubsidized Loans
- Direct PLUS / Graduate PLUS Loans

The amount of federal aid a student earns is determined on a prorated basis and is based on the date of withdrawal. Once a student completes more than 60% of the payment period, all of the federal aid the student is scheduled to receive for the period is earned. If earned funds are not received prior to the date of withdrawal the student may be due a post-withdrawal disbursement. Students eligible for post-withdrawal disbursements will be notified – the University must receive permission from the student before it can disburse these funds. The student will have 14 days of receipt of notification to accept / decline the post withdrawal disbursement.

### Calculations for Return of Title IV funding are performed as follows:

- Determine date of withdrawal
- Calculate the percentage of the enrollment period completed as of the date of withdrawal
- Calculate percentage of Title IV aid the student earned as of the date of withdrawal
- Calculate the amount of Title IV aid that must be returned / repaid to the programs
- Federal aid is returned in the following order:
  - Unsubsidized Direct Loan
  - Subsidized Direct Loan
  - Direct PLUS/GRAD PLUS Loan
  - Pell Grant
  - Federal SEOG Grant
  - Federal TEACH Grant
  - Other sources of federal aid

Students who receive Title IV funding and who officially withdraw from the University will be subject to the Return of the Title IV calculation in determining earned aid. Students who receive Title IV funding and stop attending classes without official notification to the University, whereby a last date of attendance cannot be determined, will be subject to a Return of Title IV calculation based on attendance through the midpoint of the payment period or the last date of an academically related activity in which the student participated.

### Recipients of Scholarships (Grants, Stipends, and Waivers) and Fellowships.

Section 117(b)(2) of the Internal Revenue Code requires that you report any scholarships (including grants such as Pell, SEOG, or NJ State Grants, stipends, and waivers) and fellowships received in payment for room, board, equipment, travel, teaching, research, or other services. Payment for tuition, fees, books, supplies and equipment required for courses of instruction are not subject to tax. For further information, see IRS Publication 520 on Scholarships & Fellowships.

### **Employee Educational Tuition Grants (ETG)**

Employees or dependents of employees must apply for an Educational Tuition Grant (ETG) through the Office of University Human Resources prior to being registered. Employees are responsible for all other fees.

### **Records**

All changes related to a student's personal record, such as a change of name, address, or academic program are processed in the Office of Enrollment Services/Records. Students must submit the appropriate form for each change. The Records office also manages official student transcripts. All questions should be directed to [Registrar@fdu.edu](mailto:Registrar@fdu.edu).

### **Declaration for Graduation**

Students planning to complete their degree requirements must file a Declaration for Graduation on Self Service. Students are ultimately responsible for meeting graduation requirements and should check the catalog for degree requirements. Students are required to file for graduation at least eight months prior to their expected date of completion. Early filing is encouraged.

September Graduation	File by prior year March 1 date
February Graduation	File by prior year June 1 date
May Graduation	File by prior year November 1 date

### **Non-matriculated (non-degree seeking) students**

Students who wish to matriculate (file for degree status) should contact the Office of Enrollment Services/Records prior to registering.

### **University Core**

#### **Academic Regulations and Prerequisites**

No more than one Core course may be taken in any one semester without special permission from a University Core director. All students should consult with an academic adviser before preparing their schedules in order to make certain that they are scheduled for the appropriate University Core course, or approved substitutes and alternatives, and that they have satisfied all prerequisites.

- Students must complete UNIV1001 Transitioning to University Life before taking UNIV1002 Preparing for Professional Life.
- Students must take UNIV1001 Transitioning to University Life and UNIV1002 Preparing for Professional Life, as well as WRIT1002, before taking either UNIV2001 Cross-Cultural Perspectives or UNIV2002 Global Issues.
- UNIV2001 and UNIV2002 may be taken in either order although it is recommended that UNIV2001 be taken prior to UNIV2002.

### **Substitutions and Alternatives**

There is no substitute for UNIV1001 Transitioning to University Life.

Some majors integrate the learning goals of UNIV1002 Preparing for Professional Life into other coursework. These courses serve as substitutes for UNIV1002 Preparing for Professional Life. Every semester in the course offerings on Self-Service, courses that have been authorized as substitutes for UNIV1002 Preparing for Professional Life will be listed, indicating which major(s) they are associated with. All other students, including undeclared majors, should take UNIV1002 Preparing for Professional Life.

Students entering FDU in Fall 2021 may fulfill General Education requirements for Knowledge of Global Issues and Cross-Cultural Understanding either with UNIV2001 Cross Cultural Perspectives and UNIV2002 Global other courses explicitly identified in Self-Service as approved alternatives. For more information, see General Education.

### **Exceptions for Adult Learners & Transfer Students**

Adult learners are exempt from taking UNIV1001 Transitioning to University Life and UNIV1002 Preparing for Professional Life although they may choose to take one or both of these courses as electives.

Transfer students entering the University with 30 or more credits are exempt from taking Transitioning to University Life (UNIV1001).

Transfer students entering the University with 45 or more credits are exempt from taking Preparing for Professional Life (UNIV1002).

Transfer students entering the University with an associate of arts or associate of science degree earned from a New Jersey or New York Community college are exempt from all FDU general education requirements, including Cross-Cultural Perspectives and Knowledge of Global Issues.

### **Security**

#### **Identification Cards**

All students are required to carry University identification cards. These cards may be obtained at the Public Safety/Security Office at both campuses. Photographing, identification card processing and validation schedules are posted at all campuses.

#### **Parking**

All cars must display an official decal which is available at the Public Safety/Security Office at the appropriate campus. Failure to display a decal will result in ticketing and a fine.

### **Special Programs**

#### **Alumni Auditor**

University alumni may take courses on an audit-only basis at a reduced tuition rate. Alumni currently enrolled as students in the University are not eligible for this option. Tuition information, applications and registration forms are available from the Office of Enrollment Services.

#### **Family Plan**

Two or more related dependent undergraduate students will each receive \$1,500 per year as a Family Grant. For further information, contact the Campus Financial Aid Office.

### **Affirmative Action Statement**

No person acting within the scope of his or her authority and responsibility at Fairleigh Dickinson University shall discriminate on the basis of race, color, creed, sex, sexual orientation, national origin, handicap, military status or age.
